We are a faith based family oriented networking group for mortgage professionals* that focuses on building unique and interpersonal relationships that are based on faith, love, loyalty, respect and trust.

We plan on having multiple events in various locations around the Dallas/Ft. Worth metroplex and beyond to spread the word about positive, tangible networking opportunities for professionals and their family members to foster a sense of community and fellowship.

We also want to spread the word of God's will and how truly blessed we are to be children of God. We will act as facilitators in that endeavor as well as pointing people in the right direction for any services, products or institutions that they may need. Our first networking event will be held October 7, 2006 and we plan on taking a group of people to Houston for the Joyce Meyer convention leading up to the initial event. Should be a glorious time indeed!! So come out and join us if you will!

Here at MakeAConnectionHere.com, we like to reward people for helping us spread the word about our social networking website for mortgage professionals. We have developed an affiliate program that rewards the special individual who wants to take advantage of this offer while benefitting financially as well.

How the Affiliate Program works:

When a person signs up for a profile on MakeAConnectionHere.com, they will be prompted to enter a personalized promotional code which will be used to track the amount of people they introduce to the website who ultimately sign up. For each person that they sign up on their first level, they will receive a $3 referral fee on the new enrollee's monthly subscription fee every month. For every person that signs up on their second level (meaning the new enrollee signs someone up as well), the initial sponsor will receive a $1 referral on all second level profiles as well. And now the first level associate gets paid $3 on their new enrollee as well.

Conditions:

Each profile has to be active for at least 30 days before you can receive a referral and you will only be paid on sites that are active at the time of the referral payout. The referral payout will be paid on a quarterly basis and we will provide you with the necesssary tax forms for filing purposes.

SIMPLY PUT, THERE IS NO OTHER WEBSITE THAT PAYS YOU FOR REFERRING PEOPLE TO YOUR NETWORK IN THE MORTGAGE INDUSTRY!! WE ARE PAYING YOU FOR HELPING US GROW THE NETWORK! SEE THE WELCOMED PATRONS PAGE FOR A LIST OF ACCEPTED MORTGAGE INDUSTRY PROFESSIONALS AND THEIR RELATED INDUSTRIES!

Starting next week, we will post a message for the week to the group for uplifting and inspiration to face everyday life. I think that with positive messages being sent back and forth between everyone, it can serve as a pick me up and as a support group when times get hard. If you have ideas that you would like to share, or positive experiences, we'd love for you to submit them to us so that we can post them and recognize you as well. Send all submissions to palmer@makeaconnectionhere.com and we will pick one submission per week to post in addition to our weekly message. If you would like to attach a photo along with your submission so that you can be recognized, we'd love that too! Remember- " The group that prays together stays together!"
